

EMPLOYER OF RECORD SUMMARY OF BENEFITS

01 Efficient

As a result of our experience in working with a variety of clients in all different industries, we can reduce the time it takes to engage talent directly.

02 Scalable

Our experienced and dedicated team of specialists work within a flexible centralized system to support the growth of content studios allowing you to scale at your own pace to meet your business needs.

03 Transparent

Regularly scheduled and/or on-demand reporting to you that provides detailed insight to time billed by contingent workforce. Contingent worker portal provides access to their profile (including: payroll/pay stubs etc.).

04 Compliant

We ensure proper classification of contingent workforce to mitigate risk for co-employment, fines, and taxes. We provide quality assurance as it relates to compliance with privacy data standards.

05 Cost Effective

Due to our lean and agile structure, we can efficiently navigate the landscape of your needs at a lower cost than our competitors. We pass those savings that savings along to you, our valued client.
